[Verse 1]

Gmaj/B Cmaj G
In four months you're brought to life

You might be left with my hair
Gmaj/B Cmaj G
But you'll have your mother's eyes
Em

I'll hold your body in my hands
Gmaj/B Cmaj

Be as gentle as I can

G
But for now you're a scan of my unmade
plans

Em
A small bump
Gmaj/B Cmaj G
In four months you're brought to life
Am Cmaj
I'll whisper quietly

[Pre-Chorus]

G
I'll give you nothing but truth
Am Cmaj
If you're not inside me
Dsus4
I'll put my future in you
Em Gmaj/B Cmaj G
You are my one and on____ly__

[Chorus]

And you can wrap your fingers 'round my

Em Gmaj/B Cmaj G
thumb and hold me tight

D/F# Em Gmaj/B Cmaj G
Oh, you are my one and on____ly__

D Em
You can wrap your fingers 'round my thumb
Gmaj/B Cmaj G

and hold me tight
And you'll be alright

Oh, you're just a small bump unknown

[Verse 2]

Gmaj/B Cmaj G
You'll grow into your skin
With a smile like hers

Em Gmaj/B
And a dimple beneath your chin
Cmaj G D/F# Em

Fingernails the size
Gmaj/B Cmaj
Of a half grain of rice
G

And eyelids closed to be soon opened wide
Em

A small bump
Gmaj/B Cmaj G
In four months you'll open your eyes
Am Cmaj
And I'll hold you tightly

[Pre-Chorus]

G
 I'll tell you nothing but truth
Am Cmaj
 If you're not inside me
Dsus4 G/B
 I'll put my future in you
Em Gmaj/B Cmaj G
 You are my one and on____ly__

Gmaj/B Cmaj G
 But we're still unaware as why

[Chorus]

 thumb and hold me tight

 And you can lie with me
Em
 With your tiny feet
G
 When you're half asleep
D
 I'll leave you be
Am
 Right in front of me
Em
 For a couple weeks
G C G
 So I can keep you safe
Em Gmaj/B Cmaj G
 'Cause you are my one and on____ly__

 Maybe you were needed up there
